It's all about convenience with a Dahle Personal Shredder. Whether you're an executive, a secretary, or someone looking for added security at home, this machine is small enough to accommodate any workspace yet powerful enough to get the job done. Dahle's smallest shredder is designed for shredding up to 100 sheets of paper per day and is perfect for destroying bank statements, credit applications and financial records. This shredder can be conveniently placed at arms length so you never have to leave your desk to properly dispose of confidential documents.

Dahle's 30114 is built with an 8 3/4" feed opening to accommodate both letter and legal size paper with ease. It's small enough to fit under your desk yet large enough to handle 8 gallons of shredded waste.

This shredder features Automatic On/Off operation that uses an electronic sensor to turn the machine on. All you have to do is position your document in the feed opening and the shredder will take care of the rest. Bag Full Auto Off is another convenient function that notifies you when the shred bag is full and needs to be changed. It's these state-of-the-art features that saves you time and takes the burden out of shredding your documents.

Dahle's Personal shredders are made in Germany using the latest technology and finest materials. Each component is manufactured and assembled with precision from over 20 years of experience. The end result is a quality machine and peace of mind in knowing your Dahle shredder will provide many years of trouble free operation.

State-of-the-art electronics conveniently turns the shredder on when shredding and then off.

Shredder can be placed at arms length so you never have to leave your desk to destroy confidential data.
