Oil-Free Shredding

Jam Protection

German Engineered

The Dahle ShredMATIC® 35080 is a compact auto-feed shredder that makes quick work of destroying confidential documents. It features an 80-sheet auto-feed tray, oil-free operation, and automatic jam protection to eliminate frustration. This P-4 shredder produces a 3/16" x 3/8" particle size and holds up to 5 gallons of shredded waste. It's German engineered and guaranteed to provide many years of trouble-free operation.

Load up to 80 sheets of paper in the auto feed tray.

Features/Benefits

- 80 sheet auto-feed shredder offers convenience and saves time
- Fast shredding of loose or stapled sheets at 20 per minute
- Oil-Free / Hassle-Free shredding maintains performance without maintenance
- Built-in Jam protection eliminates frustration
- German engineered machine for trouble-free operation and peace of mind
- Powerful compact shredder with easy to use controls for simple operation
- Quiet operation produces less noise and prevents interruptions
- Shreds credit cards, paper clips and staples

Security Level P-4 for destruction of confidential documents.
